The Spirit of Advent

Advent is marked by a spirit of expectation, of anticipation, of preparation, of longing. There is a yearning for deliverance from the evils of the world, first expressed by Israelite slaves in Egypt as they cried out from their bitter oppression. It is the cry of those who have experienced the tyranny of injustice in a world under the curse of sin, and yet who have hope of deliverance by a God who has heard the cries of oppressed slaves and brought deliverance!
